BOOK 3 JANUARY 2018 UPDATE

MEMORIES MADE THE DIFFERENCE

From the success of the Centennial Book I: **Memoirs of UP Alumni Abroad**, came the equally successful Book II: **Memories...a Legacy Gift of Filipinos and Friends**. It was nearly inevitable that Book III was to follow. With the first two coffee table books the Endowment Scholarship Fund in the UP Foundation Inc. started in 2000 got to higher level such that now the eight Constituent Units of the UP System has a scholarship slot "gifted" to them. This Book III **Memories of UP Alumni and Friends United** aims to increase those slots with their participation and teamwork with UPAA-NY Memories Project. Meanwhile, 37 awardees already graduated. Whether or not you wrote in Book III, the book will be great to read, keep and treasure as an heirloom.

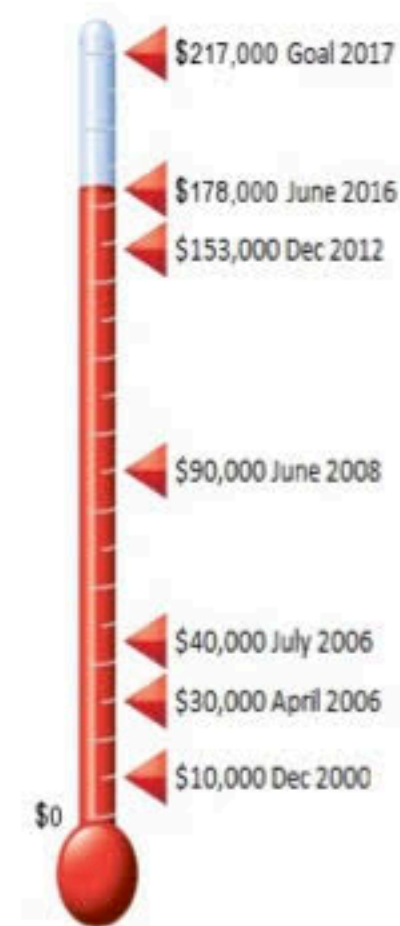

Your obtaining a copy is supporting the mission of **GIVING BACK**, and are helping scholars complete their education, have a career for their life and living.

YOU TOO CAN ADD TO THE DIFFERENCE:

Those who donated at least \$389 (Phil residents Php5,000) will receive **FREE** copy. All others will **NOT** unless order is made.
